

Tasting Notes Woodlands Beers

Below are the tasting notes for all Woodlands Cask conditioned ales using the industry standard Cyclops format.

The Cyclops tasting notes are designed to make it quick and convenient for your customers to understand the style and character of a beer they are purchasing based on how it looks, smells and tastes.

The beer is also given a rating from 1 to 5 for its sweetness / bitterness.

Note 1 on the scale means the beer is not very sweet / not very bitter and 5 means the beer is very sweet / very bitter.
